Dear Mr. Rios:

LA Times Communications LLC (I.D. 124904) has proposed to revise their Title V permit by modifying three internal combustion engines and removing two selective catalytic reduction units. This is a newspaper printing facility (SIC 2711) located at 2000 East 8th Street, Los Angeles, CA 90021.. This proposed permit revision is considered as a “minor permit revision” to their Title V permit. Attached for your review are the permit evaluation and draft permit for the proposed permit revision. With your receipt of the proposed Title V permit revision today, we will note that the EPA 45-day review period will begin on February 7th.

If you have any questions or need additional information regarding the proposed permit revision, please call Stacey Ebiner at (909) 396-2504.

Very truly yours,
